

CAMPGROUND

Washoe Lake State Park Campground

1. Campground Entrance
2. Loop A (with hookups, showers)
3. Loop B (no hookups, showers)
4. NNBA Group Camp has no hookups, (but you can use the showers in the loops)

NNBA does not take campground reservations. It is a State Park, and all campers pay at the entrance kiosk. Overnight fees are \$15-\$20. If you want to just drive-in to jam, day use fee is \$5.

Washoe Lake State Park is located about 6 miles from the Festival (see map below), on the other side of Washoe Lake. Drive around the south end of the lake to get between the festival and the campground.

Sadly, the Davis Creek Campground 🔥 burned to the ground in 2024, and remains closed for 2025.
