Band "Blurb": After meeting at summer porch-jams for a few years, it was befitting for Michael Chambon (banjo, dobro, vocals), Jilleen Leal (percussion, vocals), and Kraig Catton (guitar, vocals) to come together as Front Porch. Front Porch's tagline speaks to their genre-busting repertoire: "Renegade Bluegrass, Roots Country, & Acoustic Whatnot." From Bill Monroe to Pink Floyd, Front Porch's selection of fresh and innovative adaptations, completed in three-part harmony, will surprise and entertain!

2023 Venues include Bartley Ranch, Red Dog Saloon, Twin Lakes Resort, Nashville Social Club, Genoa 4th of July Celebration, Carson Valley Arts Council Fall Festival, Plumas Homegrown Americana Festival, Squaw Valley Riding Club Rodeo, Phoenix Barbecue
