### Band Bio:

The Rough Edges are a bluegrass band, playing in and around the Reno, NV area since 2022. We share a passion for traditional bluegrass and old-time fiddle tunes. We cover songs by some of the masters, Bill Monroe, Flatt & Scruggs, Stanley Brothers, etc., as well as some more progressive bluegrass songs. We also toss in a few original songs as well as a healthy dose of Irish jigs, sea shanties and train songs.
